Use of the Licensed Marks will be limited to (i) use of the approved name on signage on or about the Project; and (ii) textual non-trademark use of the approved name by the Association, its Board of Directors, and individual Proprietors, and their agents, solely to identify the address of the Project or the Strata Unit but not with respect to any particular Strata Unit. No other use of the Licensed Marks will be permitted. All uses of the Licensed Marks in connection with the Project and the Branded Residences, including the approved name, are subject to removal and must cease upon the expiration or termination of the Residential Trademark License Agreement. Purchaser acknowledges that Marriott reserves the right (whether itself or through an Affiliate) to license and/or operate any other residential project using the Licensed Marks or any other mark or trademark at any other location, including a site proximate to the Project.

8. Purchaser acknowledges that Purchaser will not acquire, by virtue of Purchaser's ownership of a Strata Unit or otherwise, any right, license or ability to use any Licensed Marks other than as expressly provided in the Residential Trademark License Agreement.

9. Purchaser acknowledges that so long as the Franchise Agreement is in effect, the Project will not be known by any name that includes any hotel brand, trade name, trademark, system, chain, or other lodging or hospitality company name that is a Competitor of Marriott.

10. Purchaser acknowledges and agrees that because of overall restrictions and conditions imposed on and applicable to Marriott and other considerations, so long as the Franchise Agreement is in effect Proprietors will not sell, assign, transfer or lease a Strata Unit to any Person if such Person or any of its affiliates is a Restricted Person or a Competitor.

11. So long as the Franchise Agreement is in effect, the Proprietor shall maintain the Strata Unit in compliance with the Standards. Further, for so long as the Franchise Agreement is in effect, Proprietor shall not without the prior written consent of Franchisor (i) participate in any Vacation Club Product with respect to the Strata Unit, or (ii) utilize any rental agent other than Seller or its affiliate for the rental of the Strata Unit.

12. In the event of any conflict between this Agreement and the Franchise Agreement, the terms of the Franchise Agreement will govern and control.

13. So long as the Franchise Agreement is in effect, Proprietor shall cause to be provided to any potential third party purchasers of the Strata Unit the disclosure information set forth in this Exhibit C.

Common Property, which may include, without limitation, any (i) resort pools, spas and outdoor showers which are made available to all Proprietors and their guests, (ii) improvements related to the rental management servicing operations of the Project, including the front desk, lobby, offices, and conference facilities, (iii) improvements located on the public beach, (iv) restaurants, bars, taverns and related dining facilities, (v) beach service centers, (vi) room services and water sports rental facilities, and (vii) spa and wellness services and centers as may be constructed within the Project.

(c) Except as specifically provided in this Agreement, no other improvements, facilities, amenities, or areas located within the Project are currently subject to this Agreement.

(d) Resort Owner has the right, but not the obligation, in its sole, absolute, and unfettered discretion, to construct additional facilities and amenities within the Project without the consent of any Permitted Users. Any such additional facilities or amenities constructed by Resort Owner may or may not be subjected to this Agreement. Resort Owner does not make any representations regarding any possible additional facilities or amenities and is not obligated to construct or subject to this Agreement any such facilities or amenities. The Resort Owner reserves the right to change, modify, or abandon any plans related to the Resort Facilities at any time in its sole discretion. No guarantee is made that the proposed Resort Facilities will be provided or that, if provided, the number, type, size and location will be as depicted herein.

### 3. Access and Use of Facilities.

(a) Resort Owner hereby grants to the Permitted Users a limited non-exclusive license ("Access License") on, over, upon and across such paths, walkways, aisles, hallways, lobbies and other portions of the Resort Facilities Property as are reasonably necessary for the convenience of access to, egress from, and use of the Project by the Permitted Users; provided, however, that such access and use rights shall only be available during that period of time that a given Permitted User has the right to use and occupy the Resort Facilities and during those hours of each day designated by Resort Owner for such use. The Access License is subject to the conditions and limitations set forth in this Agreement and any other rules and regulations regarding access, use and enjoyment of the Resort Facilities as may be imposed by Resort Owner from time to time. This Agreement shall continue in force and effect unless and until cancelled by either Party upon thirty (30) days' written notice to the other Party.

(b) The privileges of Permitted Users to utilize the public areas of the Resort Facilities are appurtenant to and inseparable from Unit Owner's Strata Unit and shall automatically terminate upon any permitted transfer of a Unit Owner's Strata Unit to any transferee or grantee, whether voluntary or by operation of applicable law. The transferee of a Strata Unit shall, immediately and automatically upon the permitted transfer of a Unit Owner's Strata Unit as provided herein be entitled to the benefits in the use of the public areas of the Resort Facilities as set forth in this Agreement. Any rights granted to the Permitted Users in the public areas of the Resort Facilities shall not represent any ownership, proprietary interest, beneficial interest or any other vested interest whatsoever in the Resort Facilities or any of the assets of the Resort Owner. Except as may otherwise be set forth in this Agreement or in the Declaration, Permitted Users shall not have any right to vote on or approve any matter relating to management or operation of the Resort Facilities.

(c) As a condition to use of the public areas of the Resort Facilities, Permitted Users may be required to sign such acknowledgements, disclaimers and liability and damage waivers in the form provided by the Resort Owner.

(d) The use and enjoyment of the public areas of the Resort Facilities shall be subject to Resort Owner's reasonable operating hours, seasonal closings, weather-related closings and other temporary closings as Resort Owner determines necessary to perform renovations, improvements, maintenance or repairs.

(e) The public areas of the Resort Facilities shall be made available on a first-come, first-served basis, except for portions of the Resort Facilities which accept advance reservations by Permitted Users. No representation or warranty is made or authorized by Resort Owner or any of its affiliates or agents that the Resort Facilities are of a size or capacity to accommodate all persons who may be authorized or desire to use them at any one time. In such event, neither Resort Owner nor its affiliates or agents shall have any duty or obligation to provide alternative facilities and shall have no responsibility for any costs incurred by any Permitted User.

4. Alteration, Removal, Replacement, Relocation. Notwithstanding the present location of any paths, walkways, aisles, hallways, lobbies, Resort Facilities, or other rights of use or access granted under this Agreement, and wherever the same hereafter may be located on the Resort Property, Resort

Owner shall have the right, from time to time, in its sole, absolute, and unfettered discretion and at its expense, to alter, modify, rearrange, relocate, replace, or remove any Resort Facility without the necessity or requirement of having to obtain the consent of any Permitted User.

#### 5. Payment of Fees.

(a) Resort Use Fee. The Unit Owner, on behalf of the Permitted Users, shall pay Resort Owner a Resort Use Fee ("Resort Use Fee") equal to BZ\$200.00. The Resort Use Fee shall be billed to the Unit Owner by Resort Owner on a monthly basis. The Unit Owner agrees that Resort Owner, in Resort Owner's sole, absolute and unfettered discretion, may elect to set off the amount of any billed but unpaid Resort Use Fee against any sums owed to the Unit Owner by Resort Owner for Assessments or otherwise in lieu of receiving direct payment from the Unit Owner for same.

(b) Failure to Timely Remit Payment. Except as otherwise provided in the Declaration, if the Unit Owner fails to timely remit to Resort Owner the Resort Use Fee, the Unit Owner and all other Permitted Users may be barred from access to the Resort Facilities or may be charged a daily rate for such use in the sole, absolute, and unfettered discretion of Resort Owner. In addition, any delinquent Resort Use Fee shall bear interest from the applicable payment due date at the lesser of eighteen percent (18%) or the maximum rate permitted by applicable law. Resort Owner may bring an action at law or in equity against the Unit Owner for any and all amounts due hereunder and there shall be added to the amount of such obligation the costs of collection, including the preparing and filing of the complaint in any such action, and reasonable attorneys' fees. If a judgment is obtained, such judgment shall include interest on the obligation as above provided and reasonable attorneys' fees and other professionals' fees to be fixed by the court, together with the costs of the action. If a Unit Owner's portion of the Resort Use Fee is not paid on the date when due, then such amount, together with such late charges and interest, and the costs of collection (including, without limitation, attorneys' fees), will be a charge and continuing lien on the Unit Owner's Strata Unit, and will bind such property in the hands of the Unit Owner, its legal representatives, successors, and assigns in accordance with the Declaration.

6. No Opting Out of Payment Due to Non-Use. Unit Owner may not elect to pay the Resort Use Fee because the Unit Owner elects not to make use of or to access the Resort Facilities.

#### 7. Operation of Resort and the Resort Facilities.

(a) Operation of Resort Facilities. Resort Owner is responsible for the management and operation of the Resort Facilities. Subject to its obligations under separate agreements pertaining to the operation of the Resort Facilities, if any, Resort Owner may make the Resort Facilities available for use by guests, renters, exchangers, and other property owners at other resorts in the general vicinity of the Project, to members of the general public, or to any other person in Resort Owner's sole, absolute, and unfettered discretion and may charge guest and other user fees in such amounts as Resort Owner may establish for such use. The Resort Facilities are intended to be operated as a commercial operation and Resort Owner shall have no obligation to operate the Resort Facilities on a nonprofit basis for the exclusive benefit of the Permitted Users.

(b) Transfer to Third Party. Nothing in this Agreement is intended to prohibit or in any manner restrict Resort Owner's ability to sell, transfer, convey, assign, lease, mortgage, encumber or otherwise dispose of any or all of its interest in any portion of the Resort Facilities to any person on a for- profit or not-for-profit basis. All or any portion of the Resort Facilities may be developed for any lawful purpose in accordance with applicable law.

(c) Resort Management. Resort Owner may enter into leases, licenses and management or operating agreements with respect to the Resort Facilities as Resort Owner deems appropriate. Resort Owner in its sole discretion may delegate some or all of its duties hereunder to a third party, which third party may be an affiliate of Resort Owner.

(d) Personal Property. Permitted Users assume sole responsibility for their personal property in their use of the Resort Facilities and acknowledge that Resort Owner shall not be responsible for any loss or damage to any personal property used or stored at the Resort Facilities, whether in lockers or elsewhere. Permitted Users in the use of the Resort Facilities also acknowledge and understand that they are liable for any damage or personal injury occurring during the use of the Resort Facilities as a result of such person's actions.

(e) Interruptions in Use. Notwithstanding the Access License, Resort Owner shall have the right to temporarily close, or interrupt or suspend use of the Resort Facilities in order to maintain, repair, or replace the Resort Facilities. Additionally, Resort Owner or its designees may temporarily designate from time to time certain areas of the Resort Facilities Property, including the Resort Facilities, for Resort Owner's exclusive use for special events, banquets, activities, and programs. Notwithstanding anything in this Agreement to the contrary, Resort Owner shall not be liable for interruptions in the use of, or the unavailability of the Resort Facilities (i) by reason of equipment malfunction or failure, however caused, (ii) in connection with maintenance, repair, or failure by suppliers to provide supplies, or (iii) due to use of the Resort Facilities pursuant to Resort Owner's rights in this Agreement. Resort Owner shall not be required to provide alternate recreational or other facilities to Permitted Users during any period that the Resort Facilities are closed or use of the Resort Facilities is interrupted or suspended.

(f) Lawful Use. No Permitted User shall act in any way which shall constitute a nuisance to Resort Owner or to other Permitted Users or interfere with the use of the Resort. Resort Owner shall have the right to deny use of the Resort Facilities to offending parties.

8. Indemnification, Insurance. Permitted Users shall use the Resort Facilities at their own risk, and Resort Owner shall not be liable for any loss, damage, security problem, casualty, injury, death, or any other liability except if such liability is directly caused by Resort Owner's gross negligence or willful misconduct. The Unit Owner shall indemnify and save harmless Resort Owner from and against any such liability for damages, costs, and expenses, including reasonable attorneys' and other professionals' fees, from injury or death to any person or damage to any property in and about, or in connection with the Resort Facilities pursuant to this Agreement from any cause whatsoever, caused by or occurring to Permitted Users, unless such loss or injury shall be caused by the gross negligence or willful and intentional misconduct of Resort Owner.

9. Remedies.

(a) Violations. In addition to any other remedies in this Agreement, each Party shall have the right to enforce, by proceeding at law or in equity, whether in an action for damages, injunctive relief or both, all covenants, conditions, restrictions, reservations, licenses, charges, and liens now or hereafter imposed under this Agreement.

(b) Costs of Enforcement. Should either Party find it necessary to employ an attorney or institute legal action against any Party to enforce this Agreement, the non-complying Party shall pay all costs in connection with such action, including court costs and reasonable attorneys' fees and other professionals' fees for pretrial, trial, and appellate proceedings.

10. Assignability of Rights. Resort Owner may assign or delegate its rights and obligations under this Agreement, in whole or in part, and in Resort Owner's sole discretion without notice to or consent from the Unit Owner or any Permitted User, to an affiliate of Resort Owner, any third party designated by Resort Owner, or a successor to Resort Owner. Neither Unit Owner nor any other Permitted User may assign or delegate any of its rights and obligations under this Agreement.

11. Notices. Unless otherwise specified in this Agreement, all notices, demands, elections, requests, or other communications that either Party may desire or be required to give under this Agreement shall be in writing and shall be given by (a) hand delivery, (b) recognized overnight courier service providing confirmation of delivery, (c) facsimile, provided that a copy of such notice also is sent the same or following business day by recognized overnight courier service providing confirmation of delivery, or (d) e-mail, provided that a copy of such notice also is sent the same or following business day by recognized overnight courier service providing confirmation of delivery, addressed as follows:
